Die Allianz Private Krankenversicherung:
Your expert partner when it comes to your health.

✓ The benefits of Allianz – two examples

PRIVATE ROOM IN HOSPITAL

Emma from the USA accidentally sprains her wrist while exercising. She undergoes a straightforward operation. She stays in a single room in the hospital for maximum privacy and optimal healing.

Allianz assumes the cost of her private medical treatment and single hospital room.

REPATRIATION

Paolo from Spain is temporarily employed in Germany. When on holiday in Brazil, he becomes seriously ill. At his request, he is transported to a clinic in Madrid. This allows him to be close to his family.

Allianz pays for repatriation to his native Spain and his hospital treatment costs there.

MyHealth app

Want to submit bills and always have documents to hand? That's easy with the MyHealth app from Allianz Care.

BetterDoc

Maximum confidence of doing the right thing: We provide a neutral second opinion from top specialists.

Doc on Call

Quick help via app or phone.
No waiting time.
No waiting room.

Find a doctor and clinic

Quickly and easily find the right practice or clinic nearby for every need.
