Examples

PROFESSIONAL DENTAL CLEANING

Tony (21) has his teeth professionally cleaned twice a year by his dentist. Because Tony has statutory insurance, he must pay the full cost himself.

Total cost: **2 x EUR 120**
Cost without MeinZahnschutz: **EUR 240**

Cost with MeinZahnschutz: EUR 0

DENTAL TREATMENT

Sofia (30) needs a root treatment as cavities have inflamed her dental nerve. In her case, her health insurance fund will not contribute to the costs.

Total cost: **EUR 520**
Cost without MeinZahnschutz: **EUR 520**

Cost with MeinZahnschutz: EUR 0

DENTURES

Sven (41) needs a tooth pulled. To close the resulting gap, the dentist recommends an implant with a crown. He has to cover most of the costs himself.

Total cost: **EUR 2,900**
Cost without MeinZahnschutz: **EUR 2,293**

Cost with MeinZahnschutz 90: EUR 290

§ Good to know

Particularly suitable for: people with statutory insurance or those entitled to medical care who want more protection for their dental health.

Not suitable for: people who are currently undergoing treatment, or are due to undergo treatment in the near future.

Extra flexible: can be cancelled monthly after two years of insurance.

No waiting times: take advantage of insured benefits immediately.

Innovation guarantee: new, innovative treatment methods are directly insured in the event of medical necessity.

Option of a lower entry or savings premium:

Do you want to join at a lower amount with automatic increments at fixed intervals? Or would you prefer to save contributions for old age and pay a little more now? We give you the choice! This is because all plans are offered with and without "ageing provisions". Premium adjustments due to medical progress are possible.

General Terms and Conditions of Insurance (GTCs):

This information only provides an overview of the benefits. The current insurance conditions at the time the contract is concluded apply to your insurance cover.
